fucking dirty going to be I'm
just not even care

You were so fucking bogus
everything everything was
intentional you didn't make one
mistake you did all on purpose
every fucking day you're
fucking some other guy and
you just had it figured out you
know the day before and like
you're gonna fucking look at my
fucking you over tomorrow man
I think you were next week man
I figure every fucking day man
and you know it all and I love
you ha ha what a crock of shit I
wanna kill you I swear to god if
you don't come here and talk to
me about the shit I'm gonna
fucking kick your fucking little
ass I'm gonna kick it at my stop
your fucking head to the curb
until cracked open fucking hate
you bitch
